

# AeroLogic Crew

AeroLogic is a modern cargo airline based at Leipzig/Halle Airport. It was founded in 2007 as joint venture of Lufthansa Cargo and DHL Express. With a very modern fleet of eleven new Boeing 777F AeroLogic mostly serves destinations in Asia and the USA. AeroLogic has a daily connection to Hong Kong and several connections to Bangkok, Singapore, Shanghai, Houston and New York City.

For the Flight Operations department AeroLogic is looking for:

## First Officer (m/f/x)

### RESPONSIBILITIES

Industry standard duties as First Officer during long range line operation.

### REQUIREMENTS

- ATPL or CPL/IR (frozen ATPL) issued by an EASA member state or another authority accepted by the LBA including a valid and current MPA type rating on an aircraft with a max. take off mass of 10.000kg or more and valid and current instrument rating.
- A valid medical certificate by a physician approved by the issuing authority.
- Min. 500 hours MPA (multi pilot airplane) with glass cockpit experience on aircraft > 10 t.
- Must have the right to work and live in the European Union.
- Mandatory: Fluent spoken and written German and English.

### Boeing B777 Type Rating

Pilots without B777 Type Rate will receive a training contract prior to the contract of employment. During the training period the salary will be 70% of the target salary. Training costs are shared between AeroLogic and the pilot. EUR 208,33 p.m. for three years from the net salary will cover the pilot share.

### OUR OFFER

An exceptional and most interesting job challenge within a growing international business of a young Cargo Airline with high personal responsibility. Experience an airline which appreciate your efforts, with attractive financial and social compensations as well as a modern, professional and cooperative working environment.
